Microsoft Office Curriculum

Duration 4 Weeks

Required for: Office Administration, Accounting and Payroll, Medical Office Assistant and Education Assistant

Course Description

This course is required by the students who enrolled in Office Administration, Accounting and Payroll Administration, Medical Office Assistant and Education Assistant. The course will cover basic featured of Word, Excel, Access and PowerPoint.

<u>MODULE #</u>	COURSE OUTLINE
Chapter 1	MS Word
Chapter 2	MS Excel
Chapter 3	MS Access
Chapter 4	MS PowerPoint

Teaching Method

The students will be expected to participate in self exercise skills through following the projects in the text book. The instructor will facilitate the class and create the learning environment to develop their (students) individual skills in Microsoft Office. Desktop computer will be available in the classroom to every student to practice their projects and doing their assignments.

Keyboarding

Typing skill is the important key to get a good job. More emphasis will be given to improve students' typing speed. They are allowed to practice typing by using typing software (Mavis Beacon) or online typing practices to improve their typing speed at least 40 words per minute.

Participation	15%	Attendance
Keyboarding	15%	Pre-assessment and Post-assessment

Quizzes	35%	Total 4 quizzes (20 multiple choice questions from each program)
Assignments	20%	At least one assignment for each program
PowerPoint Presentation	15%	PowerPoint presentation on course related topic at the end of the MS Office course
